**EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the title: Replace title with: --Apparatus for delivering power to high performance electronic assemblies--.

***Reasons for Allowance***

2. The following is an examiner's statement of reasons for allowance: The prior art fails to teach, disclose, or suggest, either alone or in combination, at least on claims 1,35-38 a printed circuit board assembly comprising: a first circuit board having a first circuit board first conductive surface and a first circuit board second conductive surface, a second circuit board having a second circuit board first conductive surface and a second circuit board second conductive surface; a hollow first conductive member,; and a second conductive member, disposed within the first conductive member and mechanically coupling the first circuit board and the second circuit board such that the two circuit boards are separated by a rigid portion of the second conductive member, and the use of a compressible section to urge the contact of both boards.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
